

Centres of Influence

The building blocks to your success

You are invited to join us!

A local networking group which works by allowing people to meet in a non pressurised environment and network their business. It is a chance to meet like-minded, positive, proactive people who want to explore new ways of promoting their businesses. At each monthly meeting members have the opportunity to listen and talk to other members about each others business.

Only one member per occupation is allowed to join each group as this provokes the most interest and creates a wide diversity of professions. Anyone can join as there is no restrictions on any occupation.

We are a non-profit organisation.

A £25 annual fee covers the administration costs of the club and also promotion of the club. The only other cost is £10 for the lunch!

Please let us know if you would like to come and find out more!

The 1st meeting: 24th January 07

We would like to cordially invite you to the Founders meeting of Centres of Influence, Potters Bar centre.

We meet on the 3rd Wednesday of every month at The Old Manor, Potters Bar (opposite the Wyllyots centre).
